CIRCULAR

As part of efforts made by the Moroccan Film Centre (MFC) to re-structure the film-production branch and put it on a more professional footing, film producers are invited, for each film shoot, to send the MFC copies of all contracts signed with creators and creative collaborators, actors, and technicians who are part of the technical and artistic team.

Film producers are also invited to scrupulously comply with provisions regarding the quota of technicians to be recruited for production as set out in article 4 of law no. 20-99 on the organisation of the film industry, as amended by law no. 39-01.
